mint-invoicing.onrender.com | github.com/adamwozhere/invoice-app

- Developed a **full-stack SPA** using **React** and **TypeScript** bundled with **Vite**, enabling users to sign-up, and manage customers and invoices online
- Built and deployed a **NodeJS/ Express** server, integrated with **MongoDB Atlas**, serving data through a **REST API** to the front end
- Implemented **API endpoint testing** with **Vitest**, enhancing system reliability and helping prevent request/response errors for a consistent data flow
- Utilised **CI/CD** pipelines to automate build and deployment processes, resulting in seamless updates via Render.com
- Enhanced API performance using **TanStack Query**, leading to a 15% decrease in page load times and an improved user experience
- Implemented secure user **authentication** with **JSON Web Tokens**, ensuring persistent login and reducing potential vulnerabilities

Frontend Developer Intern | Unseen Group (Remote) Jun 2023–Sep 2023

<https://careerpass.network>

- Managed the full project lifecycle, successfully delivering Careerpass Network's first **B2B website**, significantly increasing the company's online presence

- Collaborated with stakeholders to ensure alignment with company goals and project timelines, successfully delivering the project on schedule
- Developed a **headless CMS** using **WordPress** and **GraphQL**, empowering the marketing team to independently publish content quickly and efficiently
- Significantly reduced the development cycle by implementing **Agile** methodology and using **Git** for version control
- Researched and selected the optimal technology stack, including **AstroJS**, **Tailwind CSS**, and **AWS Amplify** for deployment

Motion Graphics Designer | Freelance (Remote)

2015–2020

- Designed digital signage and title graphics for **Ericsson's** exhibitions, enhancing brand presence at major industry events like the **Mobile World Congress**
- Created conference introduction films for the **Global Financial Markets Forum**, boosting brand awareness for **First Abu Dhabi Bank**
- Delivered remote freelance projects, interpreting briefs and proposing creative solutions, ensuring on-time and on-budget delivery
- Collaborated with production studios, advertising agencies, and clients, iterating based on feedback to deliver high-quality solutions aligned with client expectations

Keyholder & Sales Assistant | Kodak Express, Trowbridge

2006–2015

- Designed and maintained the store website, improving customer engagement and eliminating external web service costs
- **Automated** repetitive tasks with **Photoshop macros**, significantly boosting efficiency in formatting ID photos and canvas prints
- Provided expert technical advice to customers on camera equipment, from purchasing to fault diagnosis and troubleshooting
- Excelled in **customer service**, performing stock ordering, digital printing, and photo restoration
